SUMMARY

I am currently pursuing a college degree in B.Tech.-CSE with a specialization in data science at Vellore Institute of Technology (VIT). I am excited about the future and the endless possibilities that await me. As a college student, I am constantly evolving, discovering my passions, and working towards my goals.

SKILLS

- JAVA
- C Programming
- SQL
- HTML
- CSS
- Database Management
- Machine Learning
- Problem Solving

INTERNSHIP

Summer Intern

05/2023 - 07/2023

iamneo the leading AI-powered EdTech organization

- As a summer intern at iamneo, my role is to implement data structures and algorithms to solve real-time problems and optimize system performance
- It's almost 60 days training where we solved 150+ problems using DSA concepts
- After completion of the internship, I received a certificate for my exceptional problem-solving skills.

EDUCATION

Bachelor of Technology: Computer Engineering, Data Science

01/2024

Vellore Institute of Technology, Vellore, TN

Percentage: 72.4%

TNSBE/HSC (Class XII)

01/2020

Government boys higher secondary school, Tiruvannamalai, TN

Percentage: 83.6%

TNSBE/SSLC (Class X)

01/2018

Government boys higher secondary school, Tiruvannamalai, TN

Percentage: 84.8%

PROJECTS

- **Movie Recommendation System and Review System (NLP)**, A movie recommendation and review system using NLP (natural language processing) involves the application of various techniques from the field of NLP to provide personalized movie recommendations and enable users to write and read reviews.
- **LPG Gas Detector Using Arduino**, This project helps in detecting gas leakage from the cylinder. This implementation uses an Arduino Uno board, an electronic buzzer, an LCD display module, and an MQ2 sensor for gas sensing.

EXTRACURRICULAR ACTIVITIES

- I participated and served as a student volunteer in the NSS Special Camp at School
- Volunteered in VIT-marathon Conducted by VIT, Vellore
- Member of Tamil Arts and Literature

AREAS OF INTEREST

- Computer Networks
- Operating System
- Object-Oriented Programming
- Data Structure and algorithms

WEBSITES, PORTFOLIOS, PROFILES
